

**Bag packing at the Carmarthen Tesco Store on Friday evening 11 April (5-9),
Saturday 12 (10-5) and Sunday 13 April 13 April (11-3)**

Sincere thanks to all who assisted last weekend

Thanks to

- All the young Harriers members who were involved in the hard work of packing the bags at the till stations
- All the Harriers parents who helped as raffle sellers, bag packing and with the Carmarthen and District Harriers Athletics Club Norwich Union Community Sports Fund initiative
- Thanks to the Carmarthen Tesco Store for allowing us to be involved in a project which will benefit us as a Club in many ways

We may be a successful athletics and cross country club but we also rely a lot on the local community to support us in our endeavours

The visitors to the Tesco store this weekend registered 1563 votes for our Norwich Union Community Sports Fund initiative (towards the costs of the Carmarthenshire and Dyfed primary schools, athletics, cross country and sportshall athletics championships we have organised every year since 1990)
