Matters arising from previous minutes:

The dinner turned out to be a great success yet again. Everyone had said that it was very enjoyable. The meal was excellent. The Ivy Bush has been booked again for next year 7<sup>th</sup> November, 1 week earlier than normal.

Next year is the clubs 60<sup>th</sup> anniversary, it was agreed to try to arrange a Dinner/buffet to commemorate the event in April.

Chairman's report

Carmarthen town FC are holding a raffle and we have been invited to take part in it. A proportion of the takings will stay with Harriers. Bev Plant has agreed to co-ordinate the ticket sales. 1000 tickets have been ordered.

Hedydd reported mixed results at cross country to date. It has been difficult to arrange full teams.

Four club members are competing in the indoor multi events international next month.

It does not look very hopeful for the track to be resurfaced next year. However, tenders are going out for the work in readiness. The recent repairs to the track do not seem to have been carried out very well.

### Treasurers Report:

Currently there is a balance of about £29,000 in the bank. There is some expenditure due in the near future. Track hire and first aid still has to be paid together with the cost of buses. We are awaiting some grants that have been applied for and a further grant has been requested from Carmarthen Round Table.
