

Carmarthen Harriers Committee Meeting
Ivy Bush Royal hotel
Monday 11th February 2013, 7-30pm

A brief meeting followed the AGM

Carol Jones asked the committee to consider making a contribution to the costs that athletes may incur after getting injured during events.

Although the committee could fully understand the problem as explained by Carol it was felt that this could lead the club into any number of problematic situations with the potential for massive expense to be involved.

The possibility of getting commercial insurance for such a situation could offer a way forward.

Hedydd asked for as much help as possible for the upcoming major cross country event taking place at Dynefor Park in Llandeilo on 23rd March. Anyone able to help please contact Hedydd as soon as possible.

A request was received from Emyr Jones to resign as a first claim member of Carmarthen and District Harriers in order to join Cardiff in order to compete in higher standard events.

This request was approved and the committee wished to thank Emyr for his contribution to the club over many years.

Next meeting 15th April 2013
