## Carmarthen Harriers medallists in the Welsh schools' cross country championships

The first Welsh schools' cross country championships were held in 1961 and races for the Year 7 pupils were added in 2004

## Carmarthen and District Harriers Athletics Club athletes have won since 1961 won a total of 81 individual medals (31 gold, 28 silver and 22 bronze)

Tregib School Llandeilo pupil Dewi Griffiths has an outstanding record in the Welsh schools' cross country championships. In his first year as a junior boy he finished 14<sup>th</sup> but then went on to win five consecutive Welsh schools individual cross country titles. I had the pleasure of driving Dewi to all his Welsh schools' cross country championship events

Carmarthen Harriers athletes were members of successful Dyfed schools' teams and won many Welsh schools cross country team medals

Dyfed schools have an outstanding record in the Welsh schools inter districts (8 districts) cross country team championships

Since 1993 Dyfed schools have won the Welsh schools overall inter district team trophy on 23 occasions and on 3 occasions finished second to the Cardiff and Vale Schools team

On two occasions Dyfed scored 77 points out of a maximum point total of 80 and also on two occasions (when there were 8 age groups) 117 points out of a maximum point total of 120

Sincere thanks to all who helped the Dyfed schools team compete in the annual Welsh schools' cross country championship. Every year there was almost a 100% turnout in the Dyfed team
