

Carmarthen Harriers Welsh All Time List (as at December 2021)

In the last year or so I have been researching the performances of first claim (at the time) Carmarthen and District Harriers Athletics Club members since the formation the formation of the Club at the Dolwar Café in Blue Street Carmarthen in April 1948.

I have relied a great deal on the information obtained from Alan and Brenda Currie's excellent Welsh Athletics Statistics website. The website has so much athletics records and performances.

Carmarthen Harriers members hold two Welsh National Records (Over 20) and 10 Welsh best performances (under 20 as at November 2018

It is good to see that so many of the Harriers personal bests have been set at our home track in Carmarthen.

Any corrections or additions would be greatly appreciated.
