

Carmarthen Harriers medallists in the Welsh schools' cross country championships

The first Welsh schools' cross country championships were held in 1961 and races for the Year 7 pupils were added in 2004.

Carmarthen and District Harriers Athletics Club athletes have won since 1961 won a total of 84 individual medals (33 gold, 29 silver and 22 bronze)

Tregib School Llandeilo pupil Dewi Griffiths has an outstanding record in the Welsh schools' cross country championships. In his first year as a junior boy, he finished 14th but then went on to win five consecutive Welsh schools individual cross country titles. I had the pleasure of driving Dewi to all his Welsh schools' cross country championship events.

Carmarthen Harriers athletes were members of many successful Dyfed schools' teams that won many Welsh schools cross country team medals.

Dyfed schools have an outstanding record in the Welsh schools inter districts (8 districts) cross country team championships.

Since 1993 Dyfed schools have won the Welsh schools overall inter district team trophy on 23 occasions and on 5 occasions finished second to the Cardiff and Vale Schools team.

On two occasions Dyfed scored 77 points out of a maximum point total of 80 and on another two occasions (when there were 8 age groups) 117 points out of a maximum point total of 120.

Sincere thanks to all who helped the Dyfed schools team compete in the annual Welsh schools' cross country championship. Every year there was almost a 100% turnout in the Dyfed team.
