- All athletes will need to collect their numbers and pins at **least 1 hour before their first event**. To encourage a greater team ethic this year, **athletes' numbers will be distributed by club team managers**. Each athlete will be provided with 2 x numbers, 1 front and 1 back. Only team managers can collect athlete numbers on arrival for distribution to their teams throughout the day, at collection please can the lead team manager declare their officials team for track, time and field.
- Car parking and toilet facilities are at the sports centre. The school car park will also provide additional parking spaces. Parking near the track entrance is reserved for event officials.
- There is a small stand available at the venue, or there is space for tents and own seating.
- Report to events 10 minutes (track) and either 20 or 30 minutes (field) before timetabled start time. Please listen out for announcements.
- Athletes will have three trials each in all javelin, shot, discus, hammer, long jump and triple jump field events.
- Due to the West Wales division offering a full track and field event programme for athletes, *event clashes for some disciplines are unavoidable*. If an athlete has a track and a field event timetabled at the same time, please sign in at the field event before competing in the track event. Athletes can then return to complete their trials if time allows. High Jump and Pole Vault athletes will re-join the event at whatever height the bar has increased to.
- Thank you to all the parents and club officials who have offered to help with officiating duties. Please sign in in the equipment store where tea/coffee and packed lunches will be available. Parent volunteers will be required to help with an event that your athlete is competing in, supporting the qualified officials with raking or retrieving.

- Team managers may select and enter relay teams in each age group on the day. Please speak to your club team manager if you'd like to be in a team.
